An officer from Fort Sam Houston
was here some days ago and made a
survey of Hondo and its sur-
roundings from a military standpoint.
This was not in anticipation of any
immediate necessity for garrisoning
the town, but merely to compile in-
formation for military records.
County Superintendent W. N.
Baathoff calls our attention to the
fact that the Medina County Council
of the Parent-Teacher Associations
will meet in Hondo on May 13th.
Superintendent L. A. Woods
has promised to attend and will de-
termine the principal address for the oc-
casion.

PARENTS-TEACHERS MEETING.

The April meeting of the Hondo
Parent-Teacher Association was held
Monday afternoon, April 10th, in the
school auditorium, with one of the
most interesting assemblies of the
year. The newly-elected officers in-
terested upon their duties for the first
time at this meeting.
The session was formally opened
with the recitation of the official
Creed. A delightful program pre-
sented the business procedure, as fol-
lows: A dance by Mae Beth Barry;
special program by the Sixth Grade,
composed of a class song, a piano
solo by Burleigh Smith, violin solo
by Velma Carter, accompanied by
Lylelyn Knopp at the piano, dance by
Blaine Merritt, and a cow boy song
by eight sixth grade boys in cos-
tume; song by William Hojace; tri-
laway; and a piano duet by Francis
Ruth Fiy and Bettye Jean Merriman.
The treasurer reported a balance
of \$88.00 on hand. The president an-
nounced the appointment of the fol-
lowing committees: to serve with the
1st. Vice President, Mrs. P. E. Lan-
caster and Miss Sue Healy; with the
3rd Vice President, Mrs. T. C.
Barnes and Mrs. Ben Oefinger; pub-
licity chairman, Mrs. R. L. Jennings;
hospitality, Mrs. R. W. Gaines, Miss
Leola Hazelle Boyd, Mrs. R. W.
Speece and Mrs. E. J. Leinweber.
Mrs. S. G. Carter was elected 2nd.
Vice President to fill the position left
vacant at the election.
A rising vote of thanks was ex-
tended the Health Committee for the
work it has accomplished since its
organization a few months ago.
Around 1600 children were vaccin-
ated for inoculation against diphtheria
in Medina County.
It was also voted to discontinue the
serving of refreshments at all meet-
ings except three, those being the
teachers' reception in October, the
birthday in February and the last
meeting of the year in May.
Mrs. Earl Starnes gave an interest-
ing account of the Medina County
Council which met recently at the
Maverick School, Cliff. The Council
will meet again on May 13th, at
which time the Hondo Association
will extend its hospitality to the fel-
low members.
Three new members were welcom-
ed into the organization, namely
Mesdames Etta Langford, Valter
Crow and Robert Haegelin.
Mrs. E. J. Leinweber, chairman of
the Medina County Health Commit-
tee, addressed the assembly on the
summer round-up of children of pre-
school age. The P. T. A. was urged
to cooperate and encourage the
health program for the children of
six years who are to enter school in
the fall that they may be 100 per
cent in health. Mrs. Leinweber also
read a proclamation issued by Presi-
dent Roosevelt, announcing May 1st
as Child Welfare Day. On that date
the Health Committee is sponsoring
a program in Hondo, at which time
it is expected that Miss De Rosette
Thomas of San Antonio, who is al-
ready well known here, will address
the audience.
The meeting was closed with sev-
eral short talks, during which Mrs.
R. W. Gaines, retiring president of
the Club, thanked the members for
their cooperation and resourcefulness
during the past year and urged their
untiring efforts to be directed in co-
operation with the new officer, Mrs.
O. A. Fiy, who in turn asked the help
of the organization for a successful
year. Mrs. L. Hicks, who is leaving
soon, expressed her pleasure in being
a member of the P. T. A. and her re-
grets on leaving the club.
The club book was awarded the
Sixth Grade which was represented
by sixteen mothers.
The social hour followed, with a
delightful refreshment course of
sandwiches and spiced tea served by
Mrs. P. E. Lancaster and her com-
mittee.
Tax Assessor L. E. Heath calls our
attention to the change in the man-
ner of tax assessing caused by the
homestead state tax exemption of the
homestead provided by the adoption
of an amendment to the Constitution
last year. Under the law all home-
steads are exempt from state taxes up
to a valuation of \$3,000.00. But if
you expect to participate in the ben-
efits of the exemption you must make
a designation of your homestead
when you render your assessment.
All assessments must be made before
May 1st, and you should see the As-
sessor at once, and be prepared to
make your homestead designation.
The public is cordially invited to
attend a program at the New Foun-
tain School, April 20th, at 7 P. M.
No admission charged. The school
children will be presented in a literary
and musical program, followed
by a 3-act play, "That's One on
Bill", by the young people of New
Fountain Community. Refreshments
will be served on the grounds.
Miss Lucy Davis returned home
Wednesday from Our Lady of the
Lake College to spend the Easter hol-
idays with her parents, Mr. and Mrs.
Fletcher Davis. She accompanied
Mr. and Mrs. Jacob Reinhart of Sabi-
nal and granddaughter, Miss Laur-
inda Rothe of D'Hanis, who is also
a student of the college.
Miss Clara Fileman, registered
nurse of San Antonio, visited her
parents, Mr. and Mrs. Charles Fileman,
over the week-end.

CROP LOAN APPLICATION FORMS STILL AVAILABLE.

Mr. J. M. Finger, Chairman, Me-
dina County Loan Committee for the
Crop Production Loan Office em-
phasizes that farmers who still wish
to apply for loans may get applica-
tion blanks from him, as well as help
in making the application. The law
forbids any charge being made for
help in the preparation of the loan
applications, but such fees as that of
a notary, for recording, etc., are al-
lowed.
A loan may not be approved for
the amount applied for, and if it is
reduced, the proper reduction will be
made on the forms filled out at the
time the application is made. In the
event that the loan is not approved,
the note and mortgage will be re-
turned to the applicant, the applica-
tion and voucher being retained by
the C. P. L. office.
The loans this year are not only
limited to \$300, but the regulations
require that borrowers reduce the
acreage of their cash crops 30 per
cent under that grown in 1932, ex-
cept growers who farm very limited
acres. The regulations provide a
fine of up to \$1,000 and imprison-
ment up to six months for material
false representations made to get a
loan.
As in the past, the borrower must
give a first lien on his crop. Loans
bear interest at 5 1-2 per cent and
are due on or before October 31,
1933. No loan in excess of \$100
will be made to any applicant who is
in arrears on as many as two previous
loans made by the Secretary of Agri-
culture.
The regulations make it unlawful
for any person to dispose of or assist
in disposing of any crops given as
security for any crop loan, except
for the account of the Secretary of
Agriculture and provide for fine and
imprisonment for violation of the
regulation. Each borrower must
agree to plant a garden for his home
use and to plant sufficient acreage
to furnish feed for his livestock.
Application for loans can also be
secured from the committees at De-
vine and D'Hanis.
LUTHERAN LADIES' AID.
Mrs. J. G. Karm and Mrs. George
Karm delightfully entertained the
members of the Lutheran Ladies' Aid
Society on Wednesday afternoon,
April 5th. After the members had
all assembled the meeting was opened
by Rev. Leibfarth. Minutes and roll
call were followed by an interesting
business meeting. After the close
of the meeting, the hostesses assisted
by Mrs. Meehler, Mrs. Oefinger, Mis-
s Irene Haass and Josie Mussman
served delicious refreshments to the
following members: Mesdames W.
Leibfarth, Aug. Falkenberg, H. E.
Haass, Ella Balzen, Geo. Bendele,
Sr., L. A. Meehler, J. E. Murphy,
Charlotte Miller, Ida Mussman, Ben
Oefinger, Annie Stiegler, Annie
Schuehle, Amanda Muenning, Alice
Reinhart, J. G. Karm and Geo. Karm;
Visitors were Mrs. Lena Hammel,
Mrs. Joe Meehler, Miss Irene Haass,
Miss Josie Mussman, little Miss Webb
and Rev. Walter Leibfarth.

SOUNDS A WARNING.

Mr. Fletcher Davis,
Editor, Hondo Anvil Herald,
Hondo, Texas.
Dear Friend:
I understand that there is a move
on foot by the Republicans to attempt
to catch the Democrats asleep at the
coming election on the 22nd and de-
feat the Hon. Milton West. I under-
stand that a committee is to secretly
invade these counties and wake up
the Republicans with the hope of
catching the Democrats asleep and
fill that place in Congress with a
Republican.
Now, I don't want anyone to think
that I am meddling with politics in
that district, but I think this is a
matter that vitally concerns every
Democrat, and that if the Republi-
cans should be successful in this case
it would not only be a slap at the
Democrats in your district, but also
in Texas, and, in fact, a slap at the
Hon. John N. Garner and the Dem-
ocratic Administration.
I know that Medina County has
suffered along with the rest of the
country in this depression and I do
not believe that the people of Medina
County would for one minute be a
party to any move that would hin-
der the great President that we have
in his work to restore prosperity to
this great country of ours, and I ask
you to inform the Democrats of that
district and, in fact, of Medina Coun-
ty, and apprise them of this move that
I understand the Republicans are at-
tempting to pull. For you know your-
self that it is essential to the Presi-
dent of this great country to have
a Congress that will back up his ad-
ministration and this cannot be done
by allowing the Hon. Milton West to
be defeated on April 22nd. Therefore
the Democrats should be apprised of
this fact in order that they go to the
polls and vote for the Hon. Milton
West.
With kindest personal regards, I
am,
Your friend,
E. C. de Montel.
LET'S ALL VOTE.
Elsewhere in this paper is sounded
a warning note against a scheme to
puttyfoot a Republican into the
position of Congressman from the
10th Congressional District, the position
recently vacated by Vice-Presi-
dent John N. Garner.
Democrats of the District must
not let such a scheme succeed. In
fact, we should give Mr. West, the
Democratic nominee, the prestige of
every available vote in the District
on April 22nd. To do so is to com-
pliment our retiring Congressman
and to register our confidence in the
man we are selecting to fill the place
so long honored.
The ballots and supplies for the
April 22nd election are now in the
hands of the County Judge and any
one desiring to cast an absentee bal-
lot can do so by calling on the county
clerk.
Any voter who fails to vote.

MORE FUNDS NEEDED.
Mr. Fletcher Davis,
Hondo, Texas.
Dear Mr. Davis:
We are again launching a cam-
paign to raise more money at the re-
quest of our National Chairman,
James A. Farley. We have been asked
to raise approximately \$75,000 to
cover Texas' portion of the deficit.
The quota for your county is
\$251.70.
I am enclosing a newspaper article
that I have sent to the county week-
lies, and I hope you will see that this
article is published in your local pa-
per.
I think it would be well for you to
find out the exact vote in each pre-
cinct in your county, then call all
your precinct chairman together and
allot them their quota on the basis of
10c for each vote cast for Roosevelt
and Garner in their respective pre-
cincts. I hope that you will respond
to this call promptly and efficiently
for when we raise this deficit we will
not have to raise any more for three
years.
Please send all funds collected, to-
gether with the names of contribu-
tors of \$1.00 or more, direct to this
office immediately upon collection, so
that we can make our remittance to
New York. If this office can assist
you, please command us.
Thanking you in advance to get
this job done promptly, I beg to re-
main,
Sincerely yours,
FRANK SCOFIELD,
Director of Finance.
We would like to hear from mem-
bers of the Committee and other
members of the party. What is to be
done about raising this fund?

Committee.

MRS. MARY E. HORNING.

The subject of this sketch was born
near Castroville on October 21, 1881.
She was the daughter of the late Mr.
and Mrs. Leopold Mann, members of
pioneer families of that settlement.
She came with her parents in her
childhood to the Hondo valley where
they settled on a farm and where she
grew to young womanhood. She was
twice married and leaves a son by
her first marriage, Vivian Neumann,
who resides here. Some years ago
she moved from her farm on the low-
er Hondo to a home which she had
purchased in Hondo and was married
to Mr. Alois W. Horning a few years
ago. They had continued their home
here until her demise.
Mrs. Horning is survived by three
brothers, Louis P. Mann, Gus Mann
and Desra Mann, and one sister, Mrs.
Lyman Morris, all residents of Hondo
and vicinity.
She had been in bad health for
some weeks and went to a hospital in
San Antonio a short time ago where
she underwent an operation. Her
condition seemed satisfactory until
the morning of her demise when she
succumbed unexpectedly to an acute
heart attack, on Wednesday, April
5, 1933.
Her remains were brought to Hon-
do and after a brief funeral service
at the Horger Funeral Chapel, con-
ducted by Pastor P. E. Lancaster of
the local Methodist Church, were
buried in the Mann burial plat in
Oakwood cemetery. The pallbearers
were: J. B. Dawson, Will Ney, Allan
Tillotson, Gus Wiemers, O. H. Miller,
and John Finger.
This paper joins in sympathy for
those who mourn.
SCOUT BARBECUE POSTPONED.
On account of religious services
this week, the scout barbecue has
been postponed until Thursday night,
April 20th. It is hoped that all the
fathers and mothers of the Scouts
and others interested in Scouting will
attend. A program presenting vari-
ous phases of Scout work will be giv-
en. Cars will be at the Scout hall
between six and seven o'clock to car-
ry visitors to the Scout camp in
King's pasture. Mr. H. B. Palmer
has changed his schedule and will be
here that night. A good time is in
store for those attending.
On last Thursday night the Scouts
had a very enjoyable picnic and
campfire program. Mrs. J. L. Mc-
Dowell of San Antonio gave an in-
forming talk on "Bird Study". Visi-
tors seemed pleased with the appear-
ance of the camp.
About the first week-end in May,
the Scouts are to have an over-night
hike and field day. Contests in such
events as signaling, fire building, re-
laying messages, etc., will be held.
All parents are urged to let their boys
go. Regular Scout Camp rules will
be enforced. The educational feature
of the hike will be stressed.

TIME TO VACCINATE.
Any dose of Cutter Blackleg Bac-
terin will produce at least 46% greater
immunity than any concentrated
dose of vaccine on the market. This
fact has been checked and is con-
stantly being rechecked by conclu-
sive laboratory tests.
Blackleg vaccine can be no better
than the standard to which it is pro-
duced. Concentrating vaccine is of
no particular value unless the origi-

CANNON BALL BACK IN ALAMO.
Realistic relic of a stormy period,
a large cannon ball of the type used
by Mexican guns during the revolu-
tion of 1836 has been returned to the
Alamo chapel, whence it came 71
years ago.
On an afternoon in 1862, so the
story goes, a little boy crept upon the
flat Alamo chapel roof to hide while
a game of hide-and-seek raged below.
Grass grew tall on the Alamo roof,
where bullets once had rained. The
boy's toes met something hard.
Now that little boy, grown to be 84
years old, has come back to San An-
tonio from Hondo, his present home,
and he brought the cannon ball. Aug-
ust Horning, discoverer of the ball
and its owner all of this time, has re-

turned it to the Alamo for the collec-
tion of historic relics housed in the
old shrine.
The aged man is visiting his daugh-
ter, Mrs. E. B. Earnest, 3716 South
Presa street. Hale and hearty, he re-
called the event of finding the cannon
ball "as if it were yesterday".
"I couldn't tell at the time whether
it had been shot there," he reflect-
ed. "I only know it was hidden in the
tall grass on the roof, and to all ap-
pearances it had been there a long
time before I came across it."
The ball was painted gray years
ago and is well preserved because of
this.
It joins other relics of the strug-
gle for freedom, returning home af-
ter so long a time.—San Antonio
Light.

HONDO, TEXAS, APRIL 14, 1933

A WORTHY COLORED MAN
PASSES.

A long familiar figure about Hondo will be seen no more. Uncle Frank Pierce died about 9:30 o'clock last Sunday night and was buried in the Hondo Creek Cemetery in the colored settlement on Wednesday afternoon, April 12, 1933, mourned alike by both white and colored who had come to know him during his long residence here.

We are told that Uncle Frank was born a slave in Mississippi almost twenty years ago. That he was brought as a boy to this section by the then master the late Judge G. W. Dyer in the early 50's. During the Civil War, his young master, Alfred Harper, took him with him to the front as a body servant, as was then custom of many young Southerners who volunteered for the war. During some of the bloody campaigns in Tennessee his young master was killed and after burying him the colored boy made his way back to his old master with his sad message of the fortunes of war. He spent the remainder of his days here, tending his own little farm and rearing a family. He was a leader, a counselor and a worthy exemplar for others of his race for years. Of a deeply religious nature, he served his Methodist church for twenty years as a Steward and church leader.

As an instance of Uncle Frank's religious zeal, when this writer was employed by the State Department of Agriculture to visit the public schools of the state and carry to the children the message of what the state was doing to help improve agriculture, it was his privilege, with the late Judge E. R. Kone, to visit the colored school in Hondo by appointment. Among the auditors was Uncle Frank, and he opened our meeting for us with a prayer, and among other things petitioned for was wisdom and strength from on High for the Agricultural Field Agents who had come to counsel with them. We never heard a more fervent prayer burst from the heart of any man than poured from the lips of that old gray-haired black man that day. And so sure as there is a recording angel in the realms of bliss, we are sure that petition is recorded there. Why should not I, too, drop a tear of sorrow for a good man gone? —The M. E.

BILL NEWTON LEAVES THE NEWS.

W. E. (Bill) Newton, for nearly five years linotype operator on the San Antonio County News, severed his connection with us on the first of April.

Bill goes to the Corpus Christi Call as sponsor for a new department the Call is putting on, that of an industrial page.

He is an exceptionally good operator, and in fact a good all-round newspaper man—good in any department.

We are sorry to lose Bill, but hope for him all success in his new job.—San Antonio County News.

Bill Newton is a Hondo boy and on his first real taste of newspaper work in the Anvil Herald office. His friends here wish him success in his new venture.

BELIEVE IT OR NOT.

Recently Mr. Herman Lindeburg noticed one of his hens assuming an abnormal size. She appeared perfectly healthy otherwise, but soon became so large that she could scarcely move about and he chopped off her head. A post mortem examination disclosed that her egg sack contained five fully developed eggs and two more developed almost to normal size. Of course, we wouldn't jeopardize a newspaper man's reputation for telling "the truth, the whole truth and nothing but the truth, so help me God", so you are requested to secure confirmation of this report from our informant, Prof. W. N. Saathoff.

As students of political economy and in view of the muddled condition of affairs, this M. E. and his learned conferee, the Professor, are not yet agreed as to whether the hen was "conserving" for the higher prices expected with the advent of "Roosevelt prosperity" or wanted to conserve "eggs" so as to keep an equal balance for "nogs" in the event of a repeal of the 18th Amendment. What a worry to the flesh are these grave questions of state becoming!

Says Her Husband Lost 16 Pounds In 4 Weeks

"I have never found a medicine that 'peps' you up like Kruschen Salts and better still, leaves you 'pepped up.' I take it two or three times a week—not to reduce but merely to feel good and clean. My husband took it to reduce, he lost 16 pounds in 4 weeks." Mrs. E. A. Ferris, Washington, D. C. (December 29, 1932).

To lose fat and at the same time gain in physical attractiveness and feel spirited and youthful take one half teaspoonful of Kruschen in a glass of hot water before breakfast every morning.

A jar that lasts 4 weeks costs but a trifle at W. H. WINDROW'S or any drugstore in the world but be sure and get Kruschen Salts the SAFE way to reduce wide hips, prominent front and double chin and again feel the joy of living—money back if dissatisfied after the first jar. Mail orders filled.

It Takes More Than Salts, Calomel, Mineral Waters, Oils, or Laxative Pills to Arouse a Sluggish Liver

They Give Only Temporary Relief From Constipation and Biliousness, Because They Have No Effect Whatever on the Liver or Its Production of Bile

Bile is nature's own laxative and your stomach and bowels require at least one quart of fresh bile every day to keep them clean, pure, free from fermentation, putrefaction, gas and disease germs.

When your liver becomes torpid or sluggish the bile stagnates and stops flowing freely. The contents of your bowels become the breeding place for germs and poisons; your food does not digest—it just ferments and decays in the bowels. The blood absorbs these poisons and you suffer from constipation, gas, sick headaches, biliousness, nervousness and sour stomach.

Sargon Soft Mass Pills will remove the cause of this condition and purify your entire system in nature's way. They are not like any other medicine you have ever taken. They are so gentle, thorough and natural in their action that there is nothing about them to remind you that you have ever taken a medicine, and most remarkable of all you gradually reduce the dose until you no longer require a laxative at all.

Five years ago it was generally believed that calomel and laxative drugs stimulated the liver, but modern science has proved that calomel, salts, mineral waters, oils and other laxatives have no effect whatever on the liver.

Sargon Soft Mass Pills act directly on the liver because they

LONGHORNS 6, QUIHI 14.

Pilot Pete's Longhorns lost their second game of the season last Sunday to Quibi by a score of 14 to 6. Lee Rudinger pitched a good game, but received poor support. The Longhorns made seven consecutive hits in the first inning, and were leading 4-3 in the third when Dailey was relieved by Reitzer, a semi-pro pitcher, who allowed no hits. Herman Fohn was sent in to relieve Rudinger in the sixth. The following is the box score:

Members of the D'Hanis P. T. A. are urged to attend the regular meet-

ing on Wednesday, April 19. The annual election of officers will take place at this time.

MRS. LOUIS ERNST, President.

ST. ANTHONY'S COMMUNITY CLUB.

The annual election of officers was the most important business at the meeting of the St. Anthony's Community Club on Friday afternoon, April 7. The meeting was well attended and the following were elected: president, Mrs. Henry Biry; first vice president, Mrs. Louis Carle; second vice president, Mrs. Kelly Carle; third vice president, Mrs. Adolph Lamm; recording secretary, Miss Cornelia Koch; corresponding secretary, Mrs. H. C. Rothe; and treasurer, Mrs. Henry Waynand.

After the meeting the Club conducted an Easter egg hunt on the campus for the pupils.

The hostesses for the next card party will be Mesdames John Rieber, Teresa Mandry, Alfred Zinsmeyer, Ferdie Koch, and Miss Cornelia Koch.

SECO COMMUNITY P. T. A.

On Thursday afternoon, April 6, the pupils of Seco School were taken to Seco Creek by their teachers and several ladies of the community. They all enjoyed a long walk and the "spread" of sandwiches, cookies, cake, fruit and soda water.

The Seco Community P. T. A. had its regular meeting Friday night, April 7, at the schoolhouse. Before the business session, the pupils gave a demonstration of parliamentary procedure in the form of a meeting of their school society, the Seco Literary Club. This was a repetition of their meeting of March 19, in which they made a special study of good manners. The responses to roll call were etiquette rules, while the program included dialogues and reading giving examples of such rules. There was a report on plans for the coming Easter egg hunt, and one on the purchase of a book for the library.

The business session of the P. T. A. opened with the reading of the Creed. The minutes of the preceding meeting were read by the secretary, Miss Margaret Lutz, and reports of committees were heard. Mrs. W. O. Rothe gave a report of the County Council meeting which was held in Cliff on March 26, and which several of the members attended. Miss Josie Rothe announced the purchase of several new books for the library, one of which was presented by the Seco Literary Club and the others by the P. T. A. The date for the closing of school was set for Thursday, April 27, the closing exercises to be held that night. Election of officers for the coming year was held with Mr. W. O. Rothe presiding. Those elected were as follows: President, Mr. Wallace Lutz; first vice president, Miss Josie Rothe; second vice president, Mr. Herman Poerner; third vice president, Mrs. Louis Pichot; secretary, Miss Margaret Lutz; treasurer, Mr. Paul Poerner; publicity chairman, Miss Sara Rothe. During the social hour delicious ice cream was served, the men of the community acting as hosts.

BASEBALL.

When the Pirates journeyed to LaCoste Sunday to cross bats with the Boosters of that town it was the first real test for Skipper Boog's team this season. Practically all players, with the exception of Jim and Joe Finger, were in uniform. A fast LaCoste team had the Pirates playing heads-up baseball but the superior batting punch and greater steadiness in the field of the Pirates enabled them to win handily by a score of 6 to 3. Amos Finger led the attack with a triple, a double and two singles. Langfeld and Naefer divided the pitching and both showed fine early season form.

On Easter Sunday, April 16th, the Hondo Bronchos will play the Pirates here and a hot game is assured, for these old rivals can be expected to put forth their best efforts whenever they meet on the diamond.

DEVINE NEWSLETS

From The Devine News.

KILLED THURSDAY AT MIRANDO EX-DEVINE MAN ACCIDENTALLY.

Roy Webster Hester, 38, was killed early Thursday near Mirando City, while riding in a car with Red Tilley, another former Devine man. It seems that Tilley and the other man had been in trouble and chanced to meet Thursday evening, opening up in a gun battle resulting in Hester's death, and the wounding of the other man. Tilley escaped with only a slight wound. Hester, who was unarmed, was the youngest son of Mr. and Mrs. J. R. Hester of Devine, born, educated and reared here. He was a world war veteran, served only here, not going overseas. He was married in 1927 to Miss Ethel Herford of Beaumont, who with the aged parents, one brother, Gilbert Hester, of Refugio, and five sisters, Mrs. R. E. Teel, Devine; Mrs. Jim Sorrels, Ingleside; Mrs. Roy Adams and Mrs. W. C. Lane of San Antonio; Mrs. A. L. Williamson, Laredo, survive. The body was brought here Thursday night accompanied by the brother and his wife; the funeral was conducted at the Baptist church Friday afternoon by the editor, Rev. Coehren assisting. Young Hester and his wife had only recently visited his aged parents at Devine and had planned to come and live with them, taking care of them in their old age; was a quiet, peaceable nature, who had many friends here who join the family in deepest sympathy in the sad and tragic accident. The funeral was large, and the floral offerings profuse. The pall bearers were Homer Thompson, O. C. Kiley, Alex Thompson, W. B. Hardeman, Jr., Jud Penland and Robert Thompson.

WILL ROGERS TO COMMENT IN COLONIAL FILM.

Back from their famous trip when "they had to see Paris," Will Rogers and his family lead you through a breathless and hilarious series of business and social complications in Oklahoma in "Down to Earth" the famous comedian's newest Fox Films vehicle, which comes to the Colonial Theatre Saturday and Sunday. The picture weaves into its fascinating plot some of Roger's shrewdest comments, and beneath its continuous flood of fun and laughter runs a significant undercurrent of some philosophy. The cast brings back Irene Rich and Theodore Loni as well as such favorites as Dorothy Jordan, Matty Kemp, Brandon Hurst, Clarence Wilson and Louise Mackintosh. "Washington Merry-Go-Round", Columbia's widely heralded political blast, opens a two days run Thursday at the Colonial Theatre. The picture features Lee Tracy and Constance Cummings in the leading roles. The story shows Tracy as a newly-elected member of Congress who goes to Washington with a load of high ideals. What he encounters there and what he does about it is what makes "Washington Merry-Go-Round" one of the most talked about films in recent years. A fine supporting cast. Show now starts at 8 P. M.
